The Honorable Gary C. Peters  
U.S. House of Representatives  
1130 Longworth House Office Building  
Washington, D.C. 20515

Dear Congressman Peters:

Thank you for your recent letter. As I am sure you know, I have spent a considerable amount of time in Michigan over the years, and have seen firsthand the great work achieved by the citizens of Michigan. Their perseverance merits praise.

I feel compelled to respond to your letter to clarify my remarks. When I stated (as you noted) "anybody believes that Chrysler is going to survive, I'd like to meet them," what I meant was any objective observer.

Again, thank you for your letter.

Sincerely,

John McCain  
United States Senator
